PRAYERS

Dispel, O Lord, O Father of light, all clouds of doubt, and the darkness about our earthly course, that in your light we may see light, and come both to know you as we are known, and to love as we are loved; through Jesus Christ our Lord. *Amen*

Jesus, alpha and omega, first and last, beginning and end, making all things new, come to us afresh this moment; enlarge our vision of your kingdom; enflame our passion for truth and justice; kindle your grace in our hearts that we may be bold to speak of your love, freely giving and receiving, wherever we go, whoever we are with and whatever we face. *Amen*
